As a member of G45 I realize it is important that I am faithful to attend G45 meetings and G-Force services, especially when I am assigned to lead in an area of ministry. If I am unable to attend a G45 or G-Force service that I am scheduled to lead, I will contact Pastor Chris as early as possible to let him know that I will be absent.

As a member of G45 I understand that I may not always get to lead in an area of ministry I prefer. I promise to keep a good attitude and serve with all of my heart in the area where I am assigned. I will make good choices and put the needs of the G45 team above my own.

As a member of G45 I understand that it is an honor and a privilege to serve and lead others. I will do my best to live a godly life and to be a good example for those I am leading. I understand that if at some point I begin to show a pattern of bad behavior, I may lose the privilege of leading for a set amount of time.
